In an effort to maintain a competitive atmosphere, The U.S. Finals reserves the right to close, combine or open divisions at any time leading up to each event.

The competitor has to be in the grade for the appropriate division for the 2011-2012 school year.

The competitor must be an official member of the team for the school they are representing.

\*If a school district allows for athletes below 9th grade to compete at the high school level, then the athlete is eligible.

Proof must be available upon request.

To be considered a School team, all must apply:

1. Governed by their associated school's administration.
2. The team's main purpose is to cheer for their associated school's sports clubs (i.e. football, basketball, soccer, etc.)
